6 WEEK BLACKOUT PERIOD FOR NEW AND RETURNING STUDENTS

You cannot register or make claims during the blackout period.

It lasts about 6 weeks from the beginning of the month that your course starts. (Example: Sept. 1-mid Oct, Jan. 1-mid Feb.) Once it is over you can register with AGA and GS+. Submit any claims and/or resume direct billing with GS+. You will be notified via Selkirk email. Coverage must be paid in full to be active. Make sure to hang on to your receipts during this time! They can be claimed.

Coverage is 12 months. Starting the first day of the month your course starts. (Example: started Sept. 9, coverage is from Sept. 1-Aug 31 of the following year.) It is good all across Canada, as long as your provincial health care is active. If you have provincial health care outside of BC (MSP) you will need to contact the SCSU. Is active whether you are in school or not in school, even after graduation. There are two registrations, GS+ and AGA. If you have a problem registering, questions about your coverage or a claim, contact SCSU, AGA or GS+.

Registering with AGA Benefit Solutions

You will receive an email from AGA when the blackout period is over.

Register with AGA to add dependents, at a cost, to your coverage or assign a beneficiary for your Life/Accident Insurance Benefit.

The '**Certificate Number**' is your 6-digit student number. Example: 123456

The '**Client Number**' is SSU- (No numbers, just SSU-)

Registering with GreenShield+

Go to "Sign In" (top right). Login as GS+ Member Sign In

-Choose 'Through an Employer or Organization, I have a Member ID

Your **Plan Member ID is SSA** (your 6 digit student #) followed by -00.

Example: SSA123456-00

Once you are registered you can print a GS+ ID card or download the **APP** and have it on your phone. Submitting claims and direct billing, if option with service provider, is now available.

Benefit information available at www.selkirkstudents.ca

Are you graduating this year? Do not leave your coverage behind SCSU, the British Columbia Federation of Students (BCFS), and Prosum Health Benefits have partnered to offer affordable health and dental plans that you can access after you're no longer a student. Starting as low as \$27 per month, Individual Health Assist plans allow you the flexibility to choose your level of coverage and more importantly find coverage that fits your budget. If you are graduating, your coverage from your students' union benefits plan ends 12 months after the start date of your program; once your coverage ends, you will have 90 days to apply for a GSC Health Assist plan. Learn more about the plans available or to start your application at <https://www.surehealth.ca/plans-link>

For more information, contact Prosum Health Benefits at 1-855-751-6590 or info@ProsumHealthBenefitsInc.ca
